

Reference for Supervised Pastoral Education Application

Date:

Applicant:

Referee:

Providence Care's Supervised Pastoral Education Centre provides opportunities for students to learn clinical therapeutic skills with a focus on the integration of one's personal and professional identity with theory and practice. Students have the opportunity to learn and practice in the areas of mental health, physical medicine and rehabilitation, specialized geriatric care, complex continuing care, palliative care and long-term care.

Please respond to the following questions about the applicant. Your comments will aid our discernment of this applicant's suitability for the course.

1. Briefly describe the nature and history of your relationship with the applicant.

2. Outline your perceptions of the applicant's self-awareness and ability for self-reflection, including current areas of growth.

3. Describe the qualities this person has that facilitate safe and effective use of self in professional relationships.

4. What would you recommend that this applicant needs to learn for their personal and professional growth?

5. What fundamental values and beliefs are important to this applicant?

6. Please outline any other comments you would like to make concerning this applicant.

Please forward your response in confidence directly to:
