

REGISTERED NURSE – Medical Programs

Permanent Part-Time

\$34.24 - \$49.02 / hour

Reference#: 22-RN MAY

Position Summary:

The role of the Registered Nurse (RN) at Providence Care is to deliver safe, effective person centred care to assigned patients in a non-acute setting, requiring rehabilitation, complex care and palliative care in accordance with hospital policies and procedures and the Standards of Nursing Practice of the College of Nurses of Ontario.

Position Responsibilities:

- Working at full scope of practice, the overall function of the RN is to assess, plan, implement and evaluate the clinical conditions and transition of the patient and to enhance the quality of life by meeting the physical, emotional, social and spiritual needs of each person.
- Supports the hospital system in addressing ethical issues within nursing and the organization
- Acts as a role model, preceptor and mentor for the profession and for other Registered Nurses, Registered Practical Nurses and nursing students, and is committed to the values of the nursing profession and to the mission, vision and values of Providence Care
- Using appropriate mechanisms, reports incidents of unsafe practice or professional misconduct
- Plans care to ensure patient safety, effective time management and judicious use of supplies, equipment and other resources
- Documents assessments, care provided and patient outcomes as per College of Nurses standards and Providence Care policy in a timely manner, to facilitate the work of the team

Required Qualifications and Experience:

- Diploma in Nursing and current unrestricted Registration with the College of Nurses of Ontario. B.Sc.N preferred.
- Current CPR certification
- Nursing Diploma from an approved University or College, BNsc preferred.
- Experience with care of the ventilated patient, an asset.
- Bilingual in French and English language, preferred.

Located in Kingston, Providence Care is Southeastern Ontario's leading provider of aging, mental health and rehabilitative care.
