

REGISTERED NURSE – MENTAL HEALTH SERVICES

Permanent Part-Time

Rate: \$34.24 - \$49.02 / hour

Reference#: 22-RN-MHS JUNE

Position Summary:

The Registered Nurse (RN), Inpatient, will provide direct professional nursing care for patients/clients requiring complex mental health services. Utilizing the principles of the nursing process, the RN will implement autonomous nursing actions to ensure that services provided promote positive patient outcomes.

Position Responsibilities:

- The RN, in partnership with the patients/clients and their families and in collaboration with the interprofessional team, will coordinate and support the patient's/client's journey toward maximum independence and wellness.
- Following the College of Nurses of Ontario's standards of nursing practice and adhering to these principles to provide care in an effective, safe and ethical manner.
- Developing and recording a comprehensive goal-oriented nursing care plan in collaboration with the patient based on assessed needs and prescribed medical regime.
- Recognizes analyses, interprets and manages deviations from the predicted client response.
- Revising nursing care plans based on evaluation using professional judgment and autonomous decision-making.
- Mentoring and assisting with the orientation of new staff and assisting them in formulation of a nursing care plan.

Required Qualifications and Experience:

- Diploma in Nursing and current unrestricted Registration with the College of Nurses of Ontario. B.Sc.N preferred.
- Current CPR certification
- Certification with the Canadian Nurses Association in the Mental Health/Psychiatry specialty is an asset.
- Demonstrated knowledge of the Mental Health Act of Ontario and Mental Health Reform as well as skill in application of the legal implications and of the inherent principles.
- Knowledge of relevant forensic methods & evaluation tools related to assessment & reduction of risk to re-offend.
- Working knowledge of relevant sections of the criminal code as they apply to the assessment, management and treatment of Forensic patients.
